Words from our Officers!

President- Will O'Donnell

Salvēte, omnēs! I can't wait for you all to see what this the MDJCL has in store for this year. Myself and the rest of the officers have been planning and preparing for events, and we will be meeting sometime during August for our Fall Planning Meeting.

In addition to our second consecutive victory as first place small state spirit winners, I have a few announcements of my own to share.

As I mentioned in my candidate speech, I will be publishing monthly presidential reports on our social media and/or the Torch. Additionally, I'm connecting with other state presidents to discuss best practices, working on expanding our outreach program, and developing a roadmap for local chapters to assist them in gaining members and access to JCL programs.

If you have any questions, comments, concerns, or just want to talk, you can email me at ohdonnell777@gmail.com or message the officer team at [@maryland_jcl](https://www.instagram.com/maryland_jcl) on instagram.

Valē, et vidē te mox!

Vice President- Mia Mazzeo

Salve everybody! For my term as Vice President, I have a few different plans. I'm going to have multiple lesson plans available that chapters can use to teach younger students about the classics. I am also working on finding a variety of charities the MDJCL can help support throughout the year. Lastly, I plan to boost local chapter engagement through different activities and contests! I hope you are all excited for this new school year and I am looking forward to seeing everyone at upcoming events!

Parliamentarian-Grace Bullock

Salvete! This year I plan on working with Will to create some amendments. I am also looking forward to working with my fellow officers to plan state wide events.

Historian-Van Tran

Salvete omnes! As the new school year begins, it certainly is a busy time for us MDJCL officers as we start to plan for the new year. This year I am working on creating a digital scrapbook that will be accessible to everyone (coming very soon!) and building our online presence. I plan to highlight more local latin clubs in the Instagram and scrapbook and get more members involved with our social media contests such as the Oreo cookie contest or photo of the months. I am super excited for this new year and cannot wait to showcase what's in store for the MDJCL!

Editor-Dawson Cooper

Salve JCLers! This year as editor I will try to make the best torch possible each time. I will try to make the paragraphs short and the page count low. I will also work to make sure that all the torches feel nice and neat. I look forward to a great JCL year!
